

EXECUTIVE PROFILE

MANISH GOEL

CO-FOUNDER AND CHIEF EXECUTIVE OFFICER
TRUSTSPHERE

With over 15 years of experience, Manish has a particular focus on business applications, security and data in the software and services sector. At TrustSphere, he drives global strategic direction and is focused on how latest developments in the reputation and authentication space can be used to restore online trust and the online experience for users, as well as for enterprise and government clients.

Prior to joining TrustSphere, Mr. Goel was a Partner at Greenoak Capital Partners, a venture capital firm focusing on technology sector investments.

Earlier, as an Investment Director with Pricewaterhouse Coopers (PwC) Venture Partners, Manish lead the Investment Selection team and had a particular interest in financial technology (fintech) sector investments.

Manish is the Chairman of the Online Trust Alliance (OTA), a not-for-profit industry alliance with a mission to create and enhance an online trust community to ensure vitality of e-commerce, financial and government services. (see further information at otalliance.org)

Manish holds degrees in both Law and Commerce from the University of NSW, Sydney; is a Member of the UK Institute of Directors and holds a Grad. Dip in Applied Finance & Investment from the Securities Institute of Australia.
